Who We Are

Bkbags (BKS CO LTD) was established in 2008, specializing in branded, eco-friendly, reusable packaging. We operate mainly in Vietnam, China and Cambodia.

What We Do

We manufacture high-quality, sustainable bags made from recycled plastic materials (rPP, rPET), paper, bamboo, and polyester. Our range includes reusable shopping bags, promotional packaging, and custom-branded solutions.

Where We Produce

Our production facilities in Vietnam and China are certified for ethical, environmental, and quality standards, including BSCI, Sedex 2P, ICS, FSC, and ISO.

Why Choose Us

For over a decade, we've been a trusted partner to leading supermarket chains, fashion retailers, wellness brands, and promotional campaigns. We offer competitive pricing, in-house R&D, high-quality products, and reliable service.
