

WELCOME TO VIETNAM

Who We Are

BK Bags (BKS CO LTD) has supplied custom reusable bags to retail chains since 2008. Head office in Ho Chi Minh City, production office in Guangzhou.

What We Do

We supply custom reusable bags to retail chains, grocery networks, fashion brands and promotional campaigns. PP woven, non-woven, rPET, paper, mesh, cotton, bamboo and polyester.

Where We Produce

We source across multiple production facilities in Vietnam and China, with Vietnam as our primary base. Certified GRS, FSC, BSCI and Sedex 2P and 4P.

Why Choose Us

Most clients have been with us five years or more. Some over ten. One point of contact from spec to shipment. If a material is wrong for your quantity or budget, we say so and show you what works. We reply the same day.
